TRANSMITTAL LETTER

Assistant Commissioner for Patents
U.S. Patent and Trademark Office
Box 2327
Arlington, VA 22202

Sir:

On August 22, 2001, via express Mail No. EL 501 641 256 US, we filed a Response to the Notice to File Missing Parts of NonProvisional Application (hereinafter the "Notice") mailed by the U.S. Patent and Trademark Office (PTO) on August 2, 2001 in connection with the above-captioned application. We filed the following documents with the PTO in response to the Notice:

- (1) Copy of original Declaration, which has been executed by each inventor;
- (2) a return copy of the Notice (Form PTO-1533); and
- (3) a post-card receipt.

Since our Records and Docketing Department did not receive the stamped postcard receipt from the PTO after about two to three weeks from the filing date, we inquired about the status of the above documents and we were told by the PTO that they are missing. Enclosed is a copy of records showing that the documents were delivered to the PTO at 10:58 a.m. on August 23, 2001. The enclosed copy of records includes a U.S. Post Office Delivery Status Sheet which states that the item delivered was signed by Mr. R. Davis.

Enclosed is a copy of the Express Mail Receipt No. EL 501 641 256 US stamped August 22, 2001 by the United States Postal Service. This demonstrates that the documents were properly filed via Express Mail. Also enclosed is the Express Mail Certification under EL 501 641 256 US certified by our Records and Docketing that the above-listed documents were deposited via Express Mail with the United States Postal Service. Note that the certification is redacted to remove all other documents deposited on August 22, 2001 that are non-relevant to the present application. The notation provides docket no. 9457-023-999 and then specifies the documents filed: i.e., "Response to File Missing Parts of Non Provisional Application; Decl.; Copy of Notice to File Missing Parts."

Out of an abundance of caution, we are filing a copy of the originally filed Response, Declaration, and return copy of Form PTO-1533. It is requested that these documents be entered in the file of the above-identified application.

The fee due for this refiling including any Petition for extension of time is believed to be about $\$400 + 130.00 = \530.00 . Please charge the required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate of this sheet is enclosed for accounting purposes.

Respectfully submitted,
